Experienced Educator Employer Verification

Name of Educator

Educator: Please have your employer(s) provide the required information. Please email this request to <u>credentialing.docs@doe.nh.gov</u> You must also provide evidence that you have completed a renewal cycle if this is your first New Hampshire license.

This educator is requesting an upgrade from Beginning Educator to Experienced Educator License. Applicants who are applying for an Experienced Educator License must demonstrate at least 3 years of full-time experience as an educator at the Pre K through secondary levels of education. The educator must also have been deemed **effective or above** according to the local evaluation system for **two consecutive years**, and have successfully completed a renewal cycle. Please record each year employed individually.
